## How to Brand Your Site

### How to Brand Your Site

Upload your logo to brand your Edvance360 site. You can also select a standard theme or use custom CSS. See QuickStart Guide How to Setup Custom Theme for information on how to setup themes.

- 1 To add a logo to the top left corner of your site, go to **Admin > Config & Settings > Application Settings > Logo**. Recommended logo size is 210 x 120px in png, jpg, or gif format.

The screenshot displays the Edvance360 Administration dashboard. At the top, the navigation bar includes Home, Trainings, Communities, Resources, Calendar, Admin (highlighted with a red box), and Help. The main content area is titled 'Administration' and features a left-hand sidebar with a menu. The 'CONFIG & SETTINGS' menu item is highlighted with a red box, and its sub-item 'APPLICATION SETTINGS' is also highlighted with a red box. Below 'APPLICATION SETTINGS', the 'GENERAL SETTINGS' sub-item is expanded, and the 'Logo' option is highlighted with a red box. The main content area shows the 'Admin » Application Settings' page with a list of settings: Count Per Page, Course Available Options, Date Format, Open Chat, Email Settings, Languages, LDAP, InfusionSoft, MemberSuite, and E360 Navigator. The 'Logo' setting is expanded, showing a 'File Upload' section with a 'Browse...' button and the text 'No file selected.'. A 'Save' button is located at the bottom of the 'Logo' section.
