

How to Add Custom Theme

How to Setup Custom Theme

Edvance360 provides a few predefined themes for branding. However, there is also an example CSS theme file for expert users. This document will provide information on how to obtain a copy of the example CSS theme file and where to add the information. If you need assistance with your theme please open a help desk ticket.

1 Login to Edvance360 as Admin

2 Navigate to Help

QuickStart Guide: How to Setup Custom Theme

- 3** Scroll down to **Sample Files** section and download **Sample Theme**. The Sample Theme file is a CSS template file.

Sample Files	
User Import	.csv
Faculty Import	.csv
Student Import	.csv
Course Import	.csv
Students to Courses	.csv
Test Question Text Import	.txt
Gradebook: Importing Grades	.csv
Sample Theme	.css

- 4** Customize desired CSS information

QuickStart Guide: How to Setup Custom Theme

- 5 Navigate to 1-Admin > 2-Config & Settings > 3-Application Settings > 4-Theme. Select 5-Custom > 6-Save

The screenshot shows the Edvance360 Administration interface. The top navigation bar includes Home, Trainings, Communities, Resources, Calendar, Admin (highlighted with a red box and '1'), and Help. The main content area is titled 'Administration' and contains a sidebar on the left with a 'CONFIG & SETTINGS' dropdown (highlighted with a red box and '2'). Under this dropdown, 'APPLICATION SETTINGS' is selected (highlighted with a red box and '3'). The main content area shows 'Admin » Application Settings' with a list of settings: Count Per Page, Course Available Options, Date Format, Open Chat, Email Settings, Languages, LDAP, InfusionSoft, MemberSuite, E360 Navigator, and Logo. The 'Theme' setting (highlighted with a red box and '4') is expanded to show radio button options: custom (highlighted with a red box and '5'), green, blue, white-grey, orange, grey, and grey-yellow. A 'Save' button (highlighted with a red box and '6') is located at the bottom of the settings area.

- 6 Scroll down to Stylesheet Management > Copy & Paste Custom CSS > Select Save

The screenshot shows the 'Stylesheet Management' interface. The title 'Stylesheet Management' is highlighted with a red box. Below the title, the 'Stylesheet' section contains a text area with the following CSS code:

```
.lesson_instructions {
background-image:none !IMPORTANT;
}
.icon_control {
background-image:url("/dev/media/images/World.gif") !IMPORTANT;
}
```

A 'Save' button (highlighted with a red box) is located at the bottom of the text area.

You need to logout, clear Internet browser cache, and back in for changes to occur.
