CONFIG & SETTINGS	Admin » Getting Sta	rted Video						
LUSER MANAGEMENT >	Getting Started Video	5						
APPLICATION MANAGEMENT	Select Video Display Option 🤮 Upload Video 🔘 Embed Code							
» LANGUAGE PACK EDITOR	Getting Started Video Browse No file selected.							
» RELATIONAL DASHBOARD WELCOME VIDEO	Save							
» GETTING STARTED VIDEO								
» LOGIN CODE								
» BANNERS								

- Select Video Display Option Upload Video or Embed Code
 - Upload Video: Upload your video and select save, maximum file size **50MB**
 - Embed Code: Copy and paste your video embed code and select save

The Getting Started Video displays on the learner's Getting Started Dashboard which is located on the learner's home dashboard left-hand panel. Note: the Getting Started Dashboard will automatically appear for learners each time they go to the home dashboard, but may be disabled by selecting the small box at the bottom next to the word "Disable". The learner may reopen this dashboard by clicking on "Getting Started Dashboard" from the left-hand panel.
